I consent to treatment for myself or above minor child. I understand that the examination and/or medical treatment I will receive is NOT intended to replace complete medical care by my personal primary care physician. Oxford Urgent Care is contracted with many of the local and national managed care plans. However, there are some plans that we do not currently have contracts with, including Medicaid. If you belong to a plan that we are not contracted with, our insurance/billing office will be glad to file a claim for you with the understanding that full payment is due at the time of service.

It is important for you to understand that the patient is ultimately responsible for knowing their individual benefits/coverage and is responsible for any fees that are not covered by their insurance provider, including durable medical equipment (splints, crutches, ace wraps, etc). If you have any questions concerning the coverage your plan has with Oxford Urgent Care, please contact your insurance provider.

I have reviewed and agree with the above information. I certify that the information I have provided is true and correct to the best of my knowledge.
